Subject: Van Stone Mine Property

Dear Ms. Guilford:

This letter is in response to our telephone conversation and the letter I received from you earlier today. We have reviewed our files on the Van Stone Mine property and find that Callahan and the other partners owning of the Van Stone Mine sold it to Equinox Resources (Washington), Inc. in April, 1990. Coeur d'Alene Mines Corporation acquired Callahan on December 31, 1991.

The following information on Equinox Resources should assist you in pursuing the current owner of the Van Stone Mine Property:

- Equinox Resources Ltd.
900-625 Howe Street
Vancouver, B. C.
Canada, V6C 2T6
- Ross J. Beaty, President

Sincerely,

Rick Mohr
Chief Environmental Engineer
